What is Eye Mantra Hospital?

- **Launched in 2019**, EyeMantra Hospital is an eye care chain focused on providing affordable treatment in underserved markets, based out of Delhi
- Intend to be a social impact oriented startup with a scalable & sustainable model
- Offers eye care services including cataract, retinal, glaucoma, diabetic retinopathy and uveitis
- Launching a **mobile app to help doctors connect with patients** in remote locations via video call, diagnose basic ailments via phone camera, and send e-prescriptions
- Currently has a **fully equipped surgical care hospital in Delhi** with 10+ team members
- Our team includes ex-McKinsey consultants, SRCC/ISB/AIIMs alumni & veteran doctors

“Provide affordable treatment in underserved markets in a scalable/sustainable manner”
